The School

Los Gatos High School is a comprehensive public high school on the tip of Silicon Valley. The current enrollment is approximately 1965 students. Nearly 23% of our students speak a language other than English and 14% were born outside the US. Our vision is for LGHS graduates to be: prepared to succeed in college, career and the global world; ethical and responsible leaders; creative and critical thinkers and innovators; global communicators and collaborators; and thriving and healthy people in mind, body and character. LGHS reflects the traditions, values and philosophies of its community and is proud of its robust course pathways, including honors and Advanced Placement as well as project-based, STEM-related classes. Students participate in over 100 academic, athletic and community service activities that annually raise over $100,000 for charities and non-profit organizations. Los Gatos High School has been recognized as a California Distinguished School and is accredited by the Western Association of Schools and Colleges (WASC). In 2021, the LGSUHSD was named "the Best School District in California" by Newsweek.

COVID-19: The 2020-21 school year began with online synchronous instruction. A phased-in approach to in-person instruction began in April 2021. CR/NC grading was offered to students for the 2020-21 school year in accordance with AB 104. In 2020-21, all LGHS sports, except Competitive Cheer, participated in a condensed season. All in-person school activities, performances, competitions, field trips, etc. were canceled for Fall 2020 and returned in limited capacity in Spring 2021.

Noteworthy Recognitions

LGHS offers academically challenging programs. While 77% (412 students) of the LGHS class of 2023 took at least one AP course, our students value balanced and creative programming and activities. LGHS offers approximately 85 elective options, four world language programs, and a variety of specialized pathways and activities highlighted below:

STEM

In 2023, 29 students were recognized at the Synopsys Science Fair. 8 of these students qualified to compete at the California State Science and Engineering Fair where 3 were recognized. The LGHS Robotics team took first place in its division out of 50 teams at the world championships. In the finals they placed equal to 8th in the world.

Elective Pathways

Students can choose an elective pathway in Visual, Spatial, Media, Culinary or Performing Arts by completing 5 elective courses and a culminating portfolio. 10 students from the class of 2023 completed a pathway.

Biliteracy

In 2023, 146 graduating seniors (27%) earned the Seal of Biliteracy.

Athletics

LGHS has 59 sports teams with 1299 participants holding an average unweighted GPA of 3.5. In 2023, of our 27 varsity teams, 13 were division champions, 2 were section champions and 3 teams were awarded Sportsmanship Team of the Year.

Partners & CTE Programs

Each year dozens of our students participate in Middle College and College Advantage in partnership with West Valley College, and in half-day technical education programs on the Silicon Valley Career Technical Education campus.

School Structure

Classes meet for 85-minute periods on alternating block days. Students generally take six classes with limited course options available in the seventh period. Five units are awarded for each semester class. Grades and units are assigned in December and June. During each 18-week semester, students may take a maximum of 35 units.

Grading

Academic weighted, four-point system, grade point average:

A = 4 B = 3 C = 2 D = 1 F = 0

- Includes all courses in grades 9-12, except PE/Sports and Teacher/Office Assistant.
- One extra point is given for each 9th-12th grade Honors/Advanced Placement course with a C- or higher grade.

GRADUATION REQUIREMENTS

SUBJECT AREA	# OF UNITS
English	40
Social Studies	30
Mathematics	20
Science	20
Physical Education	20
Visual/Performing Arts OR World Language	10
Applied Arts	5
Electives (Additional Credits)	75
Total Required Units	**220**

Honors & AP Courses
