### The School

Los Gatos High School is a comprehensive public high school on the tip of Silicon Valley. The current enrollment is approximately 1845 students. Nearly 29% of our students speak a language other than English and 12% were born outside the US. Our vision is for LGHS graduates to be: prepared to succeed in college, career and the global world; ethical and responsible leaders; creative and critical thinkers and innovators; global communicators and collaborators; and thriving and healthy people in mind, body and character. LGHS reflects the traditions, values and philosophies of its community and is proud of its robust course pathways, including honors and Advanced Placement as well as project-based, STEM-related classes. Students participate in over 100 academic, athletic and community service activities that annually raise over $100,000 for charities and non-profit organizations. Los Gatos High School has been recognized as a California Distinguished School and is accredited by the Western Association of Schools and Colleges (WASC). In 2021, the LGSUHSD was named "the Best School District in California" by Newsweek.

### Noteworthy Recognitions

LGHS offers academically challenging programs. While 81% (413 students) of the LGHS class of 2025 completed at least one AP course, our students value balanced and creative programming and activities. LGHS offers approximately 14 elective programs, four world language programs, and a variety of specialized pathways and activities, some noteworthy recognitions are highlighted below:

**STEM**
For the 2024-2025 school year, nine students entered projects in the Synopsis Science & Technology Championship. Among these, five received 1st Award recognition and one Grand Prize recognition. At CSEF, two students received Honorable Mention and one advanced to ISEF.

**Biliteracy**
In 2025, 184 graduating seniors (36%) earned the Seal of Biliteracy.

**National Merit**
From the class of 2025, 41 LGHS students were recognized through the National Merit Scholarship program, with 11 finalists and 5 scholarship winners.

**Elective Pathways**
Students can choose an elective pathway in Visual, Spatial, Media, Culinary or Performing Arts by completing 5 elective courses and a culminating portfolio. 6 students from the class of 2025 completed a pathway.

**Athletics**
For the 2024-2025 school year, LGHS fielded 60 sports teams with 1357 participants holding an average unweighted GPA of 3.479. Of 29 varsity teams, 11 were league champions and 1 was a section champion. We had 4 coaches honored as league coaches of the year and 2 sportsmanship teams of the year. Most of our varsity teams qualify for the post season and are usually placed in the section's top division alongside all of the WCAL schools.

**Partners & CTE Programs**
Each year dozens of our students participate in Middle College and College Advantage in partnership with West Valley College, and in half-day technical education programs on the Silicon Valley Career Technical Education campus.

**SBAC Testing**
LGHS consistently scores well above the state averages in SBAC testing.
ELA: 54% above statewide average
Math: 52% above statewide average

### School Structure

Classes meet for 85-minute periods on alternating block days. Students generally take six classes with fewer course options available in the seventh period. Five units are awarded for each semester class. Grades and units are assigned in December and June. During each 18-week semester, students may take a maximum of 35 units.

**Grading**
Academic weighted, four-point system, grade point average:
**A = 4 B = 3 C = 2 D = 1 F = 0**
- Includes all courses in grades 9-12, except PE/Sports and Teacher/Office Assistant.
- One extra point is given for each 9th-12th grade Honors/Advanced Placement course with a C- or higher grade.

**GRADUATION REQUIREMENTS**

| SUBJECT AREA | # OF UNITS |
